Thanks, Jay and my apologies again for the last minute date change.

Al, I will reach out the week of to coordinate logistics. It would be helpful if you could send your presentation in advance.

Hello,

I am sorry that we couldn't spend Valentine's Day together..... and apologize that I completely overlooked a previous blackout date of the 28th and cannot make the training.

However, you are in great hands with Al representing.

Peter, Becky and Al are all on the email so you can coordinate any logistics. Good luck to all and let me know if there is anything else needed.

Sorry again for the oversight

Jay
